

## Barns, Buggies, Boats & BINGO! May 18-19, 2017

**Thursday, May 18, 2017**

The Four B's! Get ready for a little bit of everything but most of all a whole lot of FUN! You will notice we are making our standard loop for pick-ups just the opposite so we can head to southwest Wisconsin. So, pack those suitcases and let's see what we can all see and do in the next two days that start with the letter B! Of

course, the first thing we can certainly do is play **BINGO** on the way to our **included lunch** stop at **Ginny's Cupboard** in Sparta!

After lunch, we can walk across the street to check out a gift shop too! Our next stop is kind of an unusual one, it is called the **Fast Corporation**. Did you ever wonder who made all of the decorated cows that we saw on the Mooving Experience

Tour last October? Well the **Fast Corporation** made them – we will be surprised at what we will all see as we tour this business. Late this afternoon we find our way to **Justin Trails Resort** – part of the resort is a very large historic **BARN** of which we will enjoy a tour of along with handcrafted cabins and their beautiful gardens. Our tour will end with some brownies and lemonade!

We will now continue west to La Crosse to check in at the **Stoney Creek Hotel and Conference Center** for our overnight stop. After

getting settled in, we will head out to enjoy our **included dinner** at a local restaurant before returning to the hotel to enjoy their indoor pool.

**Friday, May 19, 2017**

Our morning will begin with an **included continental breakfast** at the hotel and then it is off to check out

Grand Dad's Bluff! If the weather cooperates we will be able to see the Mississippi River down below. Speaking of the Mississippi River, that is our next stop for a ride on a very large **BOAT** called the **La Crosse Queen** for their **Pizza Cruise**. So, we have three B's so far and now we will need to find our last B

which is Buggies. Off to Cashton we go to **Down A Country**

**Road** – our **step-on Guide Kathy** will be waiting for our group and will give us a chance to do some shopping in their quaint shops before heading out for our Down A Country Road tour! This tour will be in an area with many Amish families so, you are right we will be seeing our fourth B, **BUGGIES!** Our tour will take us to some local Amish businesses and Amish farms so we can see how these folks live and farm. As we say good bye to Kathy and head

homeward our **included dinner** stop will be in the Tomah area. On our final leg of the tour we can get back to that fun word again – **BINGO!!!**
