

Hometown Highlights # 1 July 29, 2017

Saturday, July 29, 2017

Today, we are about to find out some of the important jobs that people in our neighborhood do. We have designed these tours for those travelers that don't like to

be away from home for a long time and for those that are interested in seeing and learning about things that happen in our backyards! So, come on along as we make our way to Colby where we make a stop at the **Colby Fire**

Department. Here at the fire department we will get to learn all that we want to know about fire trucks and ambulances. If you have always wanted to find out

what it feels like to sit in a fire truck, now is your chance! We will make sure to have a camera along if you would like to have your picture taken also! From Colby, it is on to Marshfield to the Helicopter Pad for the **Spirit Helicopter**. It is very interesting to see the inside of the Spirit Helicopter and to hear how fast they can get from one place to the next. Some of you have probably heard the Spirit fly over your house. The folks that do these jobs are very important people when someone is having an

emergency – so for that we all have to say **THANK YOU!**

Next it is time for our **included lunch** at the **Lumberyard Restaurant** in Marshfield – another important place that is needed to keep everyone happy! For our next stop, it is off to **Weber's Dairy** to see the importance of having dairy farms and the farmers that runs them! Do you know how the milk gets from the farm to the shelves in the grocery

stores? We may even get to play with some baby calves or kittens while on the farm.

So, next we will enjoy another delicious product that comes from a farm when we stop off for our **included ice cream** break at **Hub City!** Take your pick of flavors and sit back and enjoy your ice cream while we enjoy time with our Miles of Smiles friends!

When everyone is done enjoying their ice cream treat, it will be time to be homeward bound to be back home in time for the dinner hour. We hope that everyone enjoyed our Hometown Highlights Tour # 1 – central Wisconsin has many hidden treasures that we will find during our Hometown Highlights Series!
