August 10-12, 2017

Thursday, August 10, 2017

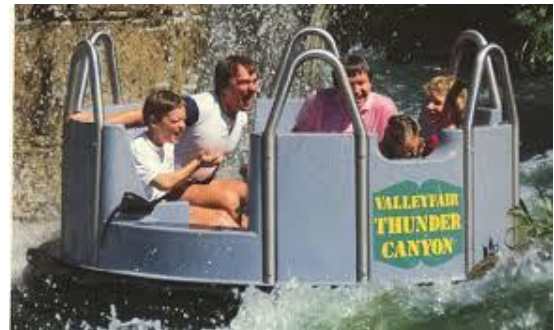

This tour is designed for the energetic and brave travelers! Pack your suitcases and don't forget your comfortable shoes – you're going to need them! We depart central Wisconsin this morning

heading for Shakopee, MN! What will we find in Shakopee you ask – how about **Valley Fair!** We will arrive in time for our **included lunch** before beginning our action-packed afternoon. Rollercoaster rides, water rides and many other types of rides to try! If

you like rides, then this is the tour for you – everyone will need to be very mobile to sign up for this tour. While here, we might as well check out the **Dinosaurs Alive Exhibit** also! After an exciting day at Valley Fair we will stop off at **Denny's** for our **included dinner** before checking in at the **Crowne Plaza Hotel** in Bloomington for a two-night stay. Just in case you have an ounce of energy left – we do have an indoor pool to enjoy!

Rise and Shine Everyone – after hopefully a good night's rest it is time for our **included breakfast** at our hotel! Put on those comfortable shoes again as we are off to the **Mall of America** for more HIGH ENERGY fun! Included in our day at the Mall of America is a visit to **Sea Life Aquarium**. We will enjoy a **Behind the Scenes**

tour to see how they take care of the thousands of fish and sharks in their huge aquarium. It will be an experience to be looking down into the aquarium from the top instead of having the fish and sharks swimming over our heads! We will also have our **included lunch** here before checking out **Fly-Over America**. Did you ever wonder what it would be like to be sitting on the wing of an airplane to get a birds-eye

view of the scenery around the USA – well we may not be sitting on the wing of an airplane but we will be seeing the beautiful scenery right before our very eyes! Wait – our day at the Mall isn't over with yet,

we have to go **SHOPPING!!!** I hope you still have energy (and spending money) because we have four floors of stores to check out!

Wow, will it feel good to sit down and enjoy a delicious **included dinner** at **Fuddruckers!** Next it is back to our hotel for a relaxing evening of either swimming, watching TV or just chilling out with your feet up!

By this morning, I do believe we will all be running low on energy after the past two action-packed days! Wouldn't it be fun to know just how many miles you have walked on this Miles of

Smiles tour? Our morning will begin with our **included breakfast** at the hotel before it is time to pack up your suitcases to begin our trek back to Wisconsin. Now, we do have one more

exciting stop to make and that will be in Stillwater, MN for a rollercoaster style ride but it will be in a **trolley!** As our trolley driver take us up and down the hills of Stillwater we will probably feel like we are on another rollercoaster ride! Stillwater is a beautiful town made up of large beautiful homes and scenery overlooking the river that will take your breath away! After that fun ride, we can climb back on our motorcoach and venture our way back to central Wisconsin making a stop in Baldwin for our **included lunch!** Our return home will be late this afternoon after this **HIGH ENERGY** tour!
