October 4, 2017

Wednesday, October 4, 2017

Come along with the Miles of Smiles as we are on a one day zoo adventure tour. We are traveling to the **NEW Zoo** in Green Bay, WI to spend the afternoon seeing what the animals

are up to. We will arrive in time to help feed the giraffes their lunch.

What do giraffes eat at the zoo?

Well, you will have to come along and find out! As for our **included lunch**, we will be eating at the **Mayan Restaurant** located right at the zoo.

We will have all afternoon to visit the animals that call the zoo their home. The zoo has nearly 90 different species of animals including a red panda, raccoon and snow leopard. How many different ones will you be able to find? We will have time to stop and visit the gift shop and then we must say “good-bye” to our animal friends.

Our **included dinner** tonight will be at a local restaurant in the Green Bay area. As we travel back to central Wisconsin, we will all have fond memories of the wonderful animals that we were able to spend the day with at the zoo.
