

**Hometown  
Highlights # 2  
October 21, 2017**

**Saturday, October 21, 2017**

Come out and join your Miles of Smiles friends as we enjoy a beautiful fall day visiting a few more

Hometown Highlights! These tours are designed for minimal amount of riding as we travel just a few miles north of Wausau to **Willow Springs**. While at Willow Springs there will be something for everyone to enjoy – we will take a **hay ride** through the country to check out the pumpkin

patch, try our luck at finding out way through the **Corn Maze** and we will even have time to make a **craft** to be taken home. Willow Springs is sometimes home to various animals as well –

we will have a contest to guess what types of animals will pay us a visit. Will it maybe be Lucy the parrot, or Nova the horse or maybe it will be some sheep or a baby calf! Oh, and don't forget – we are going to have our **included lunch** in the round barn also!

After our time in the country it is time to head for another Hometown Highlight – **Rib Mountain State Park**! It should be a beautiful time of year to travel to the top of the mountain and for those that have the energy, we can climb the look-out tower. We will also have some time to play some games before heading **back down** the mountain to one more highlight – **BRIQ'S SOFT SERVE!**

Everyone's favorite, will it be a vanilla cone or a chocolate cone or maybe it will be the vanilla and chocolate twist in a waffle cone – it will be your choice!

When everyone is done enjoying their ice cream treat it will be time to be homeward bound to be back home in time for the dinner hour. We hope that everyone enjoyed our Hometown Highlights Tour # 2 – central Wisconsin has many hidden treasures that we will find during our Hometown Highlights Series!
