

A Dog-gone Good Time Sunday, April 29, 2018

We are in for A Dog-gone Good Time on this tour! After traveling around Central Wisconsin and picking up all of our friends, our first stop will be at the fresh **Country Aire**. It is a restaurant outside of Stratford and here we will be having a very delicious **included lunch**. We don't have to travel very far to get to our next stop – **The LuCille Tack Center for the Arts** in Spencer. We are in for a real treat when we see **Chris Perondi's Stunt Dog Experience**.

This show is full of high energy with over twelve dogs performing incredible stunts. You will be amazed at the big air tricks, dancing dogs, flying disc catching dogs and the famous high-jumpers. You won't want to miss this exciting show! Once back on the motor coach, we will make our way back home. I think everyone will agree what a **Dog-gone Good Time** we had on our tour today!
