

Miles of Smiles Spring Training April 8-9, 2018

Sunday, April 8, 2018

We are in 'Spring Training' for another fantastic year of Miles of Smiles of tours! For our spring training this year we are traveling to Green Bay, WI. Once we arrive, after all of our pick-ups, we are stopping for our **included lunch** at Fazoli's. And then it is on to the **Children's Museum of Green Bay**. What fun things they have for us to do! You can dress up like a Packer, use the sport simulator to kick and throw or practice your Lambeau leap. But the fun doesn't stop there! Do some shopping at the market, stop at the fire station, climb the tree house or visit the water gallery; everyone will find something to do! And to continue our training we are traveling to **Bay Park Square Mall** for some shopping. I think all of us are pretty good shoppers, but isn't it more fun when you have a cute furry friend to tag along with you? So part of our shopping time we are **including** a

stop at **Build-a-Bear!** You will get to pick your bear, give him a name and don't forget to give him a big squeeze to make sure he has just the right amount of fluff! Now it's time to do some shopping and afterward we will have our included dinner in the food court. We are not finished with our training yet. It is off to our hotel. So, what kind of training can we do there? Our hotel

has a waterpark! Whether you want to swoosh down the slides, relax on the lazy river or visit with friends; it will be a fun evening!

Monday, April 9, 2018

Good morning! In order to keep up our strength throughout our training, we will start out with a delicious **included breakfast** right here at our hotel. After we load up the motorcoach we are traveling to **Beernsteen's Candies**. They have been in business since 1925 making all sorts of delicious chocolates. Beernsteen's claim they have the

“chocolate people dream of!” and we are going to find out how they make their chocolate with an **included tour**. There will be time afterward to shop for your favorite treat. From here our training continues as we visit **Cabela’s**. Cabela’s is known for having any outdoor item you may be looking for. You will not only enjoy shopping here, you will also enjoy the many displays of

animals, pictures and fish found throughout the store. With all of this training it makes a person hungry. What better place to stop for dinner than at Chuck E. Cheese for an **included pizza party and games**. From here our spring training takes us back home with an early evening arrival. It has been a fun two days with Miles of Smiles Spring Training!
