Are you ready for some football? We are heading to Detroit, Michigan, to watch the Green and Gold take on the Detroit Lions! So, come on all you Packer Fans, let's cheer on our favorite team! We start out the tour with making all of our usual pick-ups and then travel to Manitowoc, WI. Here we will have our **included lunch** at a local restaurant and then head for the docks. We are traveling to Michigan on board the **SS Badger Ferry**. Once on board the ferry, the crossing of Lake Michigan will take about 4 hours. We will have our **included dinner** on board the ship and will also have time to visit either the gift shop, check out what's playing in the theater or relax on deck and enjoy the ride. Our arrival will be to Ludington, MI, where we will check into the **Holiday Inn Express**.

Rise and shine! Our **included breakfast** this morning will be at our hotel. We will load up the motorcoach and travel to the Silver Lake Park area where we are in for a fun

morning as we will be stopping at **Mac Wood's** for an **included sand dune ride**. Buckle up

and get ready to see the most beautiful and breathtaking views of Michigan when we reach the top of the dunes. With the wind in our hair we will glide down into the valley next to the cool, clear water of Silver Lake and then onto to see the lovely

beach of Lake Michigan! You'll want to make sure and bring along your sunscreen and sunglasses on our outdoor

adventure. After our exciting morning riding the dunes we will have our **included lunch** at a fast food restaurant before we arrive to **Lewis Farms** for an **included** afternoon of fun! What will we

do here? They have acres and acres of fun things for us such as: a corn maze, rubber ducky races, redneck tic tac toe, lasso wild steers, a petting zoo, parakeets, pig races, wagon rides on the Apple Express and more. There is definitely something for everyone to enjoy! After our afternoon of fun and games we must say good-bye as we continue our journey on to Grand Rapids, MI. We will check in to the **Drury Hotel** where we will spend the next two nights. Our **included dinner** is at our hotel and afterward, if you still have energy left over, you may choose to check out the heated indoor pool.
