

# *Nutcracker Treats*

## *December 7-8, 2018*

### *Friday, December 7, 2018*

We begin our holiday season with a two day tour celebrating Christmas! After our round of pick-ups, we are traveling to Eastern Wisconsin. Our first stop will be for our **included lunch** in Fond du Lac at **Schreiner's Restaurant**. Also in Fond du Lac, we will visit the **Kristmas Kringle Shoppe** where they celebrate Christmas 360 days a year! As you shop for that perfect Christmas gift for yourself or someone special you will enjoy the sights, sounds and scents of the holidays! We continue on to Hartford, WI, to the Schauer Arts Center for a wonderful **included show *Christmas with the Nelsons***.

Matthew and Gunner Nelson

are the third generation of the #1 Nelson Family hitmakers delivering Christmas classics the Nelson Family way interweaving quick humor, soaring sibling vocals and state of the art big screen video. It will be like a sleigh ride through time celebrating Christmas with the Nelsons.

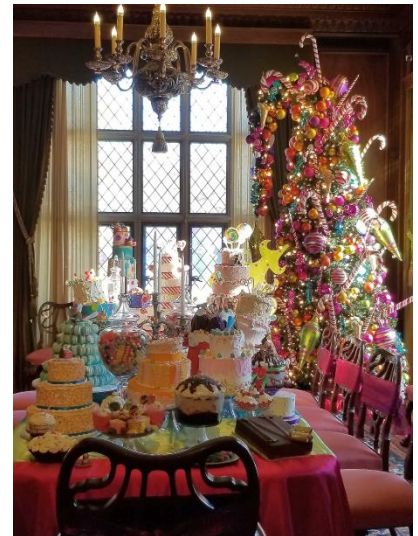

After the show we will have our **included dinner**

at **Ponderosa**. Returning to the Fond du Lac area we are in for a real treat when we visit the **Lakeside Park Light Show**. The park shimmers with thousands of lights, animated scenes and is filled with heart-warming holiday music. What a wonderful way to celebrate the Christmas season! After our long day of festivities, we check into the **Country Inn and Suites** for our overnight stay.

### *Saturday, December 8, 2018*

Rise and Shine! Because we stayed out a little late last night, you may choose to sleep in a bit this morning or be an early bird and take a morning swim in the indoor heated pool. Our **included hot breakfast** will be at the hotel this morning. We will have a mid-morning departure for the **Paine Art Museum** in Oshkosh. You are in for a real treat – a Nutcracker Treat! The Paine Art Museum is decorated to the Nutcracker story. With our **included visit** you will see more than twenty

rooms that are decorated with over seventy Christmas trees! In each room, on the first floor, you will find a large book with pictures of part of the Nutcracker story. The room is decorated to look like part of the story. And did I mention a mouse hunt? There are over 50 mice figurines scattered throughout the first floor to find. Let's play a game and see who can find the most mice! The second floor is set up to show you how the family in the story may have lived. Don't forget to check out the workshop where the nutcrackers are made and also the display of the most beautiful nutcrackers you have ever seen! Before we leave, there is a small gift shop for us to

visit. We will be having our **included lunch** in the Oshkosh area before arriving home just in time for dinner.
