

Zachariah's Acres

September 28-29, 2018

Do you like the outdoors? Movies? Shopping? If you said "yes", then you are going to love our Zachariah's Acres tour. We begin our tour with a stop in Madison for our **included lunch** at

Panera Bread. If you have never been to Panera Bread you are in for a tasty treat. We continue on traveling to Oconomowoc, WI, to Zachariah's Acres. **Zachariah's Acres** is a wonderful place just for special needs children and families to come and explore the miracles of nature.

Our afternoon of fun begins with a hay wagon ride to the fruit

orchard with our guide. Our wagon awaits our arrival! I wonder if we will spot any animals along the way? Once at the fruit orchard our guide will share many interesting facts and information about what kind of fruit they grow and what do they do with it once it is ready to be picked. Do you see healthy treats in your future? Maybe some apples or peaches or some

boiled eggs from the chickens, all while we enjoy the outdoors, meet new people and trying new things at Zachariah's Acres. After we have found all of the animals and enjoyed some

treats, it is off to our hotel the **Comfort Suites** for a one-night stay in Johnson Creek. This evening we will enjoy an **included pizza party** at our hotel where we have invited a group of soon to be friends from the Watertown

area to join us. The evening will be filled with swimming, crafts, playing Bean Bag Toss and at least a few games of BINGO!

Rise and shine everyone – our **included breakfast** is served! Pack your suit cases, load up the motorcoach and we are off to the **MOVIES!** We will join our friends that we made from last evening at the local movie theater to enjoy a movie together – of course we will have to have some popcorn and soda! When the popcorn and soda is gone and the movie is over, we will say our good byes to our new friends as we head to the **Pine Cone Restaurant** for our **included lunch**. Now we really haven't had time to do everyone's favorite activity, but it just so happens we

are next door to the **Johnson Creek Outlet**

Mall so we will take some time to do a little bit of shopping! Maybe you will find that perfect sweater to purchase since fall is in the air or maybe that special 2019 calendar that you have been looking for – this Outlet Mall will have something for everyone plus we will get our exercise after sitting for most of the morning!

After a fun filled two days, it is time to head toward home stopping for an **included dinner** at **Culver's!** Are you ready for a treat – maybe a concrete mixer with M & M's or another one of the many flavors to choose from at Culver's! With wonderful memories and hopefully a few more new Miles of Smiles friends, our arrival back to central Wisconsin will be early this evening.
