Come along and see what we have found for our **Hometown Highlight #5** tour! We begin our tour by coming right back to Progressive Travel's backyard! The **Golden Feather Game Farm** is right here in Spencer

just a few miles away from our office. Did you ever want to see a kangaroo up close and personal (maybe even with a diaper on), an ostrich or some antelope, you name the animal and there will be a pretty good chance you are going to find it

here! After our visit with the animals we will head a short distance down the road to **A&W Restaurant** for our **included lunch!** Following lunch, we travel south of Marshfield to visit **Mill**

Creek Gardens. Our visit will include learning how to plant a plant that we will be able to take with us, we will take a tour of Mill Creek Gardens and end our visit with an **included ice cream treat.** It will be a most enjoyable day with lots of animals, good food, and a Miles of Smiles green thumb award for everyone!
