

## Quadruple the Fun! July 31, 2019 – August 2, 2019

### Wednesday, July 31, 2019

What do animals, a boat ride and a trolley ride all have in common? Our tour to northwestern Wisconsin of course! Come along as we travel to the St. Croix Falls area. We travel through Bloomer, WI,

and will be stopping at the **Main Street Café** for our **included lunch** and pie. The food there is absolutely delicious and did I tell you about the pie? The pie is what they are known for so make sure to save room because you will want to eat every bite! Our next stop is just outside St.

Croix Falls at **Fawn-doe-rosa**. They have many different areas for us to explore. The Deer Yard is where you will meet some deer, elk, geese, mountain lions and others. Check out the Petting Area where you will be able to pet the rabbits and see the babies. Also, the Farm Yard is full of kids – the four legged kind, also known as baby goats!

We will have some time, of course, to stop in at the gift shop. Tonight for our **included dinner** we will visit a local restaurant. After dinner it is time to kick back and relax so we are off to our hotel for check in at the **Holiday Inn Express** in St. Croix Falls. You will have some time to enjoy a swim or hang out with your friends poolside.

### Thursday, August 1, 2019

Rise and shine! We will have our **included hot breakfast** at the hotel. After breakfast we will travel to the **Franconia Sculpture Park**.

You will be amazed at the giant pieces of art that people have created! You can read a little (or a lot) about the sculptures to find out what the artist was thinking when he created his piece. This **included** outdoor park has big space, big

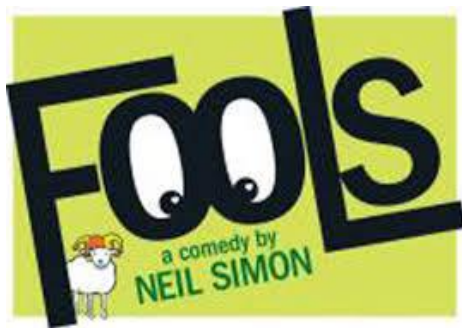

art and lots of imagination in action. As we continue to explore the area, we head to the St. Croix River for an **included Taylor Falls Scenic Boat Tour**. Whether you choose to sit below in the enclosed area or sit on top to enjoy the open air, you will love the beauty of the river. While the pilot steers the boat, our tour guide will point out interesting rock formations that were left behind from the ice glaciers thousands of years ago. As we enjoy the beautiful scenery

aboard the boat, we will have our **included** delicious **box lunch** which was prepared especially for us by Juneberry Café. Once back on land we are off to the **St. Croix Festival Theatre**. Our **included show** this afternoon is **Fools** – a comic fable by Neil Simon. This story follows a young schoolteacher named Leon who has taken a job in a small town in Russia. When he arrives he finds people sweeping dust from the porches back into their houses and people

milking upside down to get more cream. The town has been cursed with silliness for 200 years and Leon’s job is to break the curse. What a fun and happy way to spend the afternoon.

Afterward we are in for some serious shopping at Crazy Apes. This is the

place where you will find a little bit of everything! We don’t have to travel very far for our **included dinner** stop. It is right next door to Crazy Apes. Mexican food is on the menu tonight at **Poco Loco Mexican Grill**. In case

you have some energy left after our busy day of sightseeing you will have time to visit the pool once we arrive back at the hotel.

**Friday, August 2, 2019**

Our **included hot breakfast** is ready for us once again. After filling up our tummies we load the motorcoach for our trip back home. But first we are stopping in Hudson, WI, to take an **included trolley ride** with the **Hudson Trolley Company**. Hop on board the nostalgic car as we explore Hudson, WI. Our guide will take us to see beautiful scenery, wonderful sites of interest and bustling downtown Hudson. Listen as our guide

shares some interesting stories and history about the town. Sit back, relax and enjoy the ride! The trolley only seats so many people so we will have one group on the trolley and the other group will be touring the **Octagon House Museum**. Most people only have maybe 4 sides to their house but this house has 8! We will find out why this house has 8 sides, who lived there and what was it like to live in a house with 8 sides. After each group is finished we will then

switch so everyone has the chance to enjoy both attractions! What a busy morning it has been exploring the town. Our **included lunch** stop, which is just down the road is at **Denny's Restaurant**. Once back on the coach we will continue our way back home while enjoying either one last game aboard the coach or a fun movie to pass the time. We arrive home just in time for dinner with our families.

**Activity Level: High**

**Tour Includes:**
