Are you ready for a fun adventure to check out some good ole time spots! We will depart central Wisconsin this morning making our usual loop for pick-ups and then heading west toward Minnesota! Our **included lunch** will be just across the state line at the **Machine Shed Restaurant**. Be sure to check out their decorations because you will find all kinds of tools, tractors, etc. from back in the day on the farm! From here it is just a short ride to our next stop when we will be taking a ride on the **Como-**

Harriet Streetcar! It is only a short ride but it will be a cool experience. Next, we will pop in at their museum and gift shop to see more neat items from way back when! From here we will head for our hotel the **Fairfield Inn** in Burnsville to check in and take a short break. This evening we will enjoy an **included dinner** on our way to the

Sidekick Theater to enjoy the show **Breaking Up Is Hard To Do!** Oh - the memories as we enjoy the show which is set at a Catskills resort back in 1960! It will be fun to see how many of the tunes we will be able to remember. After the show, it is back to our hotel for a good night's rest!

Rise and shine! Our **included breakfast** will be at our hotel this morning. With everyone up and moving it will be time to load the motorcoach and head for **Skyrock Farm**. Here we will find something for

everyone to enjoy! How about a **Train Ride**, a **Horse Show**, a whole bunch of **Carousels** to see and possibly take a ride on one and an **included lunch** too! It will be a busy morning for everyone! Following lunch, it will be time to start working our
