

Sunrise Camping II

September 26-29, 2022

Monday, September 26, 2022

After our trip last year we had so many requests to do it again and add another day... so that is what we did! Come along and join us as Miles of Smiles goes camping again at Sunrise Lodge in Land O Lakes, WI. We will depart Central Wisconsin and head for the Northwoods to enjoy the peace and quiet. Our **included lunch** will be in Rhinelander prior to arriving in God's Country at the **Sunrise Lodge**. The Sunrise Lodge is family owned and you will be treated as family right down to all of our **included home-cooked meals!**

Upon arrival we will get settled into our cabins with all bedding provided so no sleeping bags will be needed. A tour of the grounds and buildings will be completed before we enjoy our **included dinner** this evening.

You name the activity and chances are it will be available. Mini-golf, bean bag toss, paddle boats, canoes, kayaks, volleyball court, ping pong tables, bike riding, outside size chess & checker boards, etc. etc. There is fun for everyone! We will end our day with a relaxing time around a campfire with a s'more or two! Enjoy the peaceful nights rest with no traffic noises!

Rise and shine! We will have our **included hot home-made breakfast** in the main lodge. With so many things to do around here let's get started!

We will plan our day around what the weather may be like. We can do any of the activities mentioned above plus we will have access to a pontoon boat for the day. With all this outdoor fun, we can't forget to take a break for our **included picnic lunch**

No chance of getting bored today! Our **included home-made dinner** will be back at the lodge this evening along with sometime around the campfire! With so much fresh air today everyone should sleep really well tonight!

Today is adventure day, but first let's start our day with another delicious **included homemade breakfast!** After breakfast, we will take a short ride on the coach and do a little sightseeing, or maybe even a little shopping... who knows where our adventures will take us.

While out on our adventure we will enjoy an **included lunch** before heading back to camp. When we arrive back at camp, we will have time to do more fun activities before enjoying our **included home-made dinner** back at the lodge. This evening will be free to enjoy the campfire or enjoy some outdoor activities.

Let's start our day with another delicious **included homemade breakfast!** We will have a couple of hours this morning to check out any of the activities that we may have missed or check out the gift shop before it will be time to pack our suitcases, load our motorcoach and begin our trek homeward! You can see Mr. Bear is sad to see us leaving and hopes that we all come back to see him again!

Our travels will take us via Minocqua just in time to have our **included lunch** at **Paul Bunyan's!** After lunch some time will be allowed to check out any fall specials that they may have at the downtown shops in Minocqua! After a fun-filled camping experience our return back home will be in time to have dinner back home with your friends and family!
