If you are an animal lover, then this tour is for you! Pack those suitcases and let's go! We will be seeing and having a chance to play with so many different animals, you will have a hard time deciding which one you like the best after this tour. Our first day of travel will take us to Minnesota to enjoy our **included lunch** at **Cowboy Jack's**! The next stop will be Como Park Zoo and Conservatory in St. Paul. A visit to the zoo animals and an afternoon stroll through the beautiful conservatory to enjoy the sights and smells of the flowers! Our **included dinner** will be **Zobota Café** at the zoo! After a busy day and lots of exercise we check in at the **Fairfield Inn & Suites** for a two-night stay. The swimming pool and hot tub will be waiting for us!

Rise and shine! Our morning starts with an **included breakfast** at our hotel before we head further west into Minnesota to Eden Valley and the **A Maze'N Farmyard**. We will be spending most of the day here because there is so much to do and see and something for everyone! Just to name a few, Mini Golf, Giant Slide, Petting Zoo,

Adventure Maze, Life-size Bird House, Animal Trail, Duck & Fish Pond, The Granary Corn Pit and don't forget the barn with all of the farm animals to visit! And, yes, we will have our **included lunch**

right in the middle of the farm! After a day of fun our driver will load us all up and head back toward our hotel but not before we stop at the **General Store of Minnetonka** for a little shopping and

**A maze'n
FARMYARD**

then just right down the road our **included dinner** will be waiting for us at **Famous Dave's**! I am sure that by the time we get back to our hotel room, our beds will be feeling really good!

After our **included breakfast** at our hotel, we will load up the coach and make our way back home. However, I do believe there may be just a few more animals that will be fun to see! It is time for us to give back to someone. On our way to our next stop we will be making a stop to do a little shopping! What we will be shopping for and where our next stop will be, only time will tell! After we pay a very special visit and

delivery it will be time for our **included box lunch** at the **Side Kick Theater**. After lunch comes our final stop involving animals as we enjoy the show **"FANTASTIC MR. FOX"** and I bet everyone can figure out what animal that show will be about! With our tour coming to an end, we will try answering the questions, just how many animals did we see on this tour??

As we travel back home to Wisconsin, our **included dinner** this evening will be at **McDonald's** in Wausau at our drop-off point. From here, we are homeward bound and saying our good-byes to our old and new friends that we made along the way with the animals!
