

# Hometown Highlights # 12

## October 15, 2026

**Thursday, October 15, 2026**

It's time for another Hometown Highlights tour! This time our tour will take us to Plover, WI. It will be a little of this and a little of that but guaranteed to be enjoyable for everyone!

Our first **included stop** will take us to **Plover, WI** to **The Food + Farm Exploration Center** home of the World's Largest Potato Masher. Here we will explore the world of food & farming with over 60 interactive exhibits. From the interactive sandbox, to testing our skills at harvesting crops, to meeting the machines that feed us, and so much more! There is something here for everyone to enjoy!

Before we leave, we will have our delicious, **included lunch** at the **Colorful Plate Café** located inside of the exploration center.

From here it will be just a short drive to **Feltz Family Farm!** 😊 Here we will get to take a wagon ride to the pumpkin patch and pick out your very own included pumpkin. Then we get to explore the outdoor fun farm and petting zoo. Before we leave, we will check out the Farm store!

When we are all done at the farm, it will be time to head for our **included dinner** and **games** at **Pizza Ranch**. We hope that everyone enjoyed our Hometown Highlights Tour # 12.
